elly

Healthier and happier with
Elly by your side

Get started

1

Downloading Elly

Go to the App Store on your iPhone and search for 'Elly', and then tap 'Get' to download.

2

Signing Up

When you enter the app you will be prompted to Sign Up, follow the prompts and enter the required information. All information you provide will remain strictly confidential.

3

Patient Code

During the Sign Up process you will be asked to enter a Patient Code. This patient code can be found below, and will give you FREE access to Elly.

Your code: OCH100

The patient code allows you to get **FREE** access to Elly.
