## NEW FAST & FREE PATH TO A NURSING CAREER

**Start your career as a  
Licensed Practical Nurse (LPN)  
in just three years, tuition-free**

NOCC, Delgado Charity School of Nursing and Ochsner now have a joint program for select students. Are you

- Highly focused and motivated?
- Willing to work hard for a great reward?
- Able to commit to year-round classroom and clinical training for three years?
- On track to graduate from high school on time?

If you said yes to all of these, you might be a good candidate for the new LPN Apprenticeship Program.

See the checklist on the back for more information.
