

Michael R. Boh Center for Child Development

**I am going to The Boh Center for an appointment.
The Boh Center is in New Orleans, Louisiana.**

I will walk inside the building when I get there.

**First, I will
check in at the
front desk.**

Then, I will have a seat and wait my turn.

I should use a soft voice and stay inside the building while I am waiting.

When it is my turn, my therapist will call my name. We will walk down the hall to a room where she will ask me questions.

I may also get to play with toys.

After about 1 hour, I may stay for some more testing. Or I may come back on a different day.

I may need to work with blocks, answer questions, or look at pictures.

Some of the questions may be easy, but some may be hard. I should just try my best!

My therapist is trying to figure out how to make my life easier – at school, with my friends, or at home.

During my testing, I can take a break to...

Have a snack.

**Go to the
bathroom.**

**Get some
water.**

I will NOT have to get a shot.

And I will NOT have to take
any medicine.

**When I follow directions and
try my best, I can get a sticker!**

Then it will be time to
go home.
