

Healthy Schools Nurse Program

Have an existing school nurse or looking for a substitute to fill in as needed? Ochsner's School Nurse program can fit your needs by offering nurse support as well as substitute nurse options.

- An option to support your existing school nurse for medical consultation and questions
- We can also provide a school nurse substitute if your nurse has a planned absence
- Healthy Schools on Demand; Ochsner pediatrician phone support (M-F 7am-5pm consultation)
- Continuing education offerings for your nurse
- Annual fee plus hourly cost of the nurse substitute if requested
