

Part of
your

Patient's Care Team

Ochsner Specialty Pharmacy

PROGRAM HIGHLIGHTS

- Dedicated care team that works directly with you and your patient to facilitate healthcare management
- Supports a wide range of specialties including Rheumatology, Oncology and more
- Patients are able pick up on-site or have their medications shipped for free with overnight delivery

WHAT MAKES US DIFFERENT

- Shared access to EPIC ensures easy communication between you, your staff and the Specialty Pharmacy team
- Completion of insurance prior authorizations and appeals
- Centralized care team provides patients with personalized counseling and ongoing monitored support to assist with the best possible outcomes
- Clinical pharmacists are available to monitor specific therapeutic parameters as specified by the physician
- Ochsner On Call with 24/7 availability
- Proactive refilling of prescriptions to ensure medication compliance
- Overnight shipping of medications and required supplies at no additional cost
- Patient Care Advocates assist in securing financial assistance for eligible patients

IN 2014, OUR CARE TEAM HELPED SAVE PATIENTS OVER \$1 MILLION IN OUT OF POCKET EXPENSES.
