We’re waiving costs to help you get the care you need

At Humana, we deliver a more human way to healthcare. That means listening, getting to know you and removing barriers between you and the healthcare that best fits your needs and your life.

In order to offer flexibility, we’re waiving many out-of-pocket costs for our Medicare Advantage plans.

This change went into effect May 1, 2020 and will remain in place through the end of the calendar year. Member copays, coinsurance and deductibles for the following services will be fully covered by Humana during this time:

- **All office visits to in-network primary care providers (PCPs),** so you don’t miss the primary and preventive care appointments that are so important to maintaining health

- **Outpatient, behavioral health visits with an in-network provider**

- **Virtual or telehealth visits with in-network PCPs, specialists and behavioral health providers to make it easy for you to get care without leaving home**

We understand our members may have questions about our new cost-sharing waivers and about other solutions we’ve implemented to optimize the healthcare experience.

Visit Humana.com/Coronavirus/Coverage-FAQS or reach out to your licensed Humana sales agent to learn more about how we’re continuing to care for our members.

Limitations on telehealth services, also referred to as virtual visits or teledmedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your evidence of coverage for additional details on what your plan may cover or other rules that may apply.
