inspiring them to do their best work. And corporate leaders greet students with positive reinforcement, as they start their school day. The Iberville School System organizes Together Tuesday and volunteers who bring the real value.

Donuts, hot chocolate, and coffee. But it's the fathers and male mentors figures involved in children's education. Each year, the school invites highlight the importance and benefits of getting fathers and father year. More than just a breakfast, it's an occasion to celebrate and its annual ReNew: Dolores T. Aaron Academy (DTA) in New Orleans East hosted.

We are pleased to honor Janea Dillon, School Nurse at Ursuline Academy. According to Nursing Supervisor Mimi Grary, RN, Janea has hit the ground running with her nursing career. She is a phenomenal caregiver, always striving to know more in her field. Nurse Dillon recently received her certification in pediatric nursing and is working toward her MSN in nursing.

Caregiver, always striving to know more in her field. Nurse Dillon recently received her certification in pediatric nursing and is working toward her MSN in nursing.

We want to help you set healthy New Year's resolutions for your family, and don't forget, it's cold outside, so "Tis the Season for Sneezin'." If you're not feeling well, we will direct you to get tested for the many respiratory illnesses making an impact in our communities right now. We want to help you set healthy New Year's resolutions for your family, and don't forget, it's cold outside, so "Tis the Season for Sneezin'." If you're not feeling well, we will direct you to get tested for the many respiratory illnesses making an impact in our communities right now.
