diabetes control

Diabetes Care

Offered by Ochsner Pharmacy & Wellness

Let us be a part of your diabetes care team

As an active member of your care team, **Ochsner Pharmacy & Wellness** can provide individualized tools and resources designed to help patients with diabetes have an improved understanding of diabetes management and medications used in their treatment plan.

We will conduct a complete review of your medical history and work with your health care provider to ensure that your treatment plan fits your health goals as well as your budget. Ochsner pharmacists are also able to address questions about your diabetes treatment plan, drug side effects, and connect you to specialized diabetes services and education offered by your diabetes care team.

Most importantly, we want to give you the confidence that you are on the best therapy to help improve blood sugar control, reduce your risk of diabetes-related complications, and improve your overall quality of life.

To help you reach your diabetes care goals, **we offer:**

- Home delivery with **OScripts**
- Assistance with diabetic testing supplies
- Individual counseling sessions
- Prior authorization service
- Injectable medication education
- Automatic prescription refills
- Prescription pick up reminders with **Ochsner Rx**
- Maintenance & one-time medications
- On-site immunizations

Ochsner Pharmacy & Wellness offers convenient locations for easy ordering and pick up.
