New Orleans Mental Health Clinic	No restrictions	New Orleans, LA 70114-6699	70114		<u>C</u> Adults	Adult Day Treatment Program: The Adult Day Treatment Program was established at New Orleans Mental Health Clinic in the early 1960's. At that time, with the introduction of new medications to treat mental illness, chronically mentally ill persons were returning to their communities from the hospitals. Then, as is the case now, the Adult Day Treatment Program helps this transition back into the community. In addition, by their participation in the Adult Day Treatment Program, persons may be helped to stay out of mental institutions by preventative treatment. This program is available to persons with severe and persistent mental illnesses who are at least 18 years of age. The basis of this treatment is that the person takes responsibility for their own recovery. The			8 1			3	σ	0	I o	5	S &	<u> </u>	3	æ	ă
