

Tripp Umbach completed an inventory of community resources available in the Ochsner Medical Center - Baton Rouge service area using resources identified by the Hospital, the Louisiana 2-1-1 database, and online research. Using the zip codes that define the Ochsner Medical Center - Baton Rouge (70726, 70816, 70785, 70815, 70706, 70754, 70817, 70814, 70737, 70769, 70810, 70802, 70805, 70806, 70819, 70818, 70811,70808, 70739,70809, 70714), approx. 69 community resources were identified with the capacity to meet the three community health needs identified in the Ochsner Medical Center - Baton Rouge CHNA. (Please refer to the Community Health Needs Assessment Report to review the detailed community needs.)

An inventory of the resources in the Ochsner Medical Center - Baton Rouge community found that there is at least one and often multiple resources available to meet each identified community health need. The following table meets CHNA community inventory requirements set forth in [IRS Notice 2011-52](#). (See Table)
