

Golden Opportunity Has an Online Suggestion Box And It Is Completely Anonymous!

A Golden Opportunity Virtual Suggestion Box has been set up for your convenience to foster open communication and provide a safe, anonymous platform for members to share ideas, concerns, and feedback that might otherwise go unheard. This feedback will help management identify problems, improve processes, and implement changes.

Type the following URL in your search engine:
<https://forms.cloud.microsoft/r/97SKr7GCr7?origin=IprLink>

Since the information is anonymous, we will not have access to your name nor your email address. If you would like a response by management regarding your concerns please contact Cindy Wilks, Golden Opportunity Senior Development Manager, directly via email or phone. Your information will remain confidential when contacting Cindy Wilks.
